

GORRIE WILLINGNESS TO SERVE

Gorrie has an outstanding faculty and administration, but to remain an A+ school Gorrie also needs volunteers like you. Parent volunteers are part of the school grading equation. Please review this list of volunteer opportunities and check all that interest you. Your children love seeing you at school and benefit from knowing you are involved in their education. Volunteering gives you the opportunity to be part of the school's achievements. Please complete this form and return it to your child's teacher along with the other First Day Packet forms.

Please print clearly:
